*The information in this document is believed to be correct as of this printing, but is not warranted and is subject to change without notice. This list has been prepared as guidance to borrowers based upon our experience working with lenders who offer both great customer service and borrower benefits. Sac State does not receive any incentives from lenders to be included on this list; this list does not cover all lenders; Sac State uses EdFund/CSAC as our primary guarantor. You are not required to select a lender from this list. The choice of a lender and guarantor is a decision and responsibility of the borrower. We recommend students borrow from only one lender.*
