

January 5, 2011

Dear EOP Alumni,

As part of our new EOP Retention Team, we have developed an EOP Alumni website: http://www.csus.edu/eop/10_start.stm. specifically for you to keep connected with the EOP family at Sacramento State and other EOP alumnus. As an EOP alumnus, you are still an integral part of the EOP family. We are dedicated to bring you up-to-date with services and activities. Knowing that it takes a community of people to make a difference, you play a vital role in EOP, your local communities, and the world at large.

Our plans are to include our alumni in future celebrations and banquets, mentoring programs, EOP activities, and as valuable resources to our students. Your participation and continuous support to the EOP program are deeply appreciated. "Once an EOP, always an EOP." This website is dedicated to providing alumni(s) with:

- Professional, social, and community engagement connection with other alumni and to the EOP program.
- Updates on EOP activities, accomplishments, and services.
- Opportunity to contribute to EOP mission of continued growth.
- Contribute to the program with "gift giving" to help the program and students to achieve their educational and professional goals.

Your success stories are the ones that must be told. EOP staffs are accustomed to hearing student success stories. They create a sense of pride. Yet alumni are the best evidence why EOP has continued to serve in its mission. We would love to hear from you on what you have been doing since your EOP days here at Sac State! Please use the website to update us to let us know about your educational, career, and family adventures. We do not want to lose touch with you – please help us by updating your information and tell us your success story through completing a questionnaire survey at our website: www.csus.edu/eop/alumnisurvey

Sincerely,

Sai Xiong, Counselor
Educational Opportunity Program
